### Albany Merchants Will Rebate Fares To Out Of Town Customers

The merchants of Albany have recently organized a merchants association which is being well supported as there is a strong need for such an organization.

Plans have just been completed for offering to rebate railroad fares to cash customers living five miles or more from the Albany business district. This arrangement is in active

operation in many towns and cities over the country and has been found to be an effective method of drawing business that would otherwise go some place else, providing there is an active merchants organization to operate it. An explanation of the system to be used here has been printed in circular form and will be scattered broadcast over North Alabama at once.

### Improved Train Service To The Nitrate Cities

Official notification that the Southern railway will inaugurate an improved train service to the Tri-Cities was received today by H. L. Morrill, president of the Decatur Boosters club, in a telegram from W. A. Teskler. The telegram follows:

Cincinnati, O., June 11, 1918.  
H. L. Morrill,  
Decatur, Ala.

A new train will be established between Tusculumbia and Huntsville Sunday, June 16. Leave Huntsville 6:20 a. m., Decatur 7:10 a. m., arriving at Sheffield about 9 a. m., arriving at Tusculumbia about 9:20 a. m.

Returning will leave Tusculumbia 5:40 p. m., Sheffield 6 p. m., arriving at Decatur about 8 p. m. and Huntsville about 8:50 p. m.

This train will make all local stops between Tusculumbia and Huntsville, both directions. This

I hope will take care of your wants, and is the outcome of your visit to Cincinnati, June 8.

Signed

W. A. TESKLER.

On the same date the Southern will restore the "Newsboy," which, however, will run only from Memphis to Sheffield and will not come through to Huntsville as formerly. The improved service will greatly relieve congestion at the nitrate cities, and will also be of big commercial benefit to the Twin Cities. Commercial travelers and others who now are employed at the shoals cities can make their homes in Albany and Decatur. Housing conditions at the nitrate plants will also be relieved as men employed there can secure residences here, coming home daily or for the week-end. Shoppers residing to the east can also come in for the day, returning in the late afternoon.

### HENLEY ADDRESSES COMMERCE BOARD

TELLS OF RECENT CONVENTION OF COMMERCIAL SECRETARIES.

The final mid-week luncheon of the Albany Board of Commerce for the summer months was held today at the Y. M. C. A., the principal speaker being Secretary H. F. Henley, who gave a comprehensive report of his recent visit to Greenville, where he attended the annual convention of the Southern Commercial Secretaries' association.

Mr. Henley outlined briefly the address delivered before the convention by Herbert Hoover's chief assistant, who had told of Europe's dire need for food and of steps which are being taken to meet that need. The secretaries had been told, he said, that the food cargoes now on the ocean were larger than the entire shipment of food products during the past year.

#### Ladies' Organizations.

At the convention various speakers had told of their success in forming women's chambers of commerce, as auxiliary bodies. Such an organization will be perfected here this fall and will consist of the wives of present members of the board of commerce.

The speaker also stressed the fact that commercial secretaries were advocating the cultivation of a closer relationship between farmers and industry and other lines.

#### Mayor Payne Speaks.

Mayor Payne had preceded Mr. Henley, outlining the proposed patriotic celebration to be held on July 4th in the Twin Cities.

### FIERCE ATTACK IS LAUNCHED BY HUNS FURTHER TO NORTH

Stopped Between Montdidier And Oise, Enemy Strikes At Another Part Of Allied Line

### BELLEAU WOOD TAKEN BY MARINES

Two Of Austria's Biggest Battle Ships Torpedoed By Italian Submarines

Simultaneous with the stopping of the German drive on the front between Montdidier and the Oise river, where the latest German offensive was opened on Sunday, a tremendous battle blazed up today on the northern end of the Aisne-Marne battle front.

The Germans began attacking over the 14-mile front from Soissons to Villers Cotterets and violent fighting is raging around Domme, Cutry and Ambleny. In the meantime the German crown prince has not relaxed his pressure on the Montdidier sector.

Summarized the situation is: The French have made further gains on the left flank; on the right wing the German forces that have crossed to the southern bank of the Matz tried vainly to advance but were thrown back repeatedly to their old positions; on the southern end of the Picardy front American artillery is in action; on the Marne front American marines have again captured German positions and 300 prisoners; there have been minor operations on the Flanders front.

#### (International News Service.)

With the American Army at the Marne, June 11—(7 p. m.)—Belleau wood, a small strategic forest northwest of Chateau Thierry on the Marne front, is tonight in the hands of American marines. It was defended by crack Prussian and Saxon troops, the flower of the Kaiser's army, but they were no match for the dauntless U. S. marines.

#### (International News Service.)

With the American Army in France, June 11—(6 p. m.)—American artillery on the Picardy front, aided with a harassing fire a swift counter attack against the Germans west of Montdidier early this morning. The latest German drive is still raging on the right of the American sector.

#### (International News Service.)

Rome, June 12.—By another daring Italian naval raid two more Austro-Hungarian battleships of the Viribus Unitis type, the biggest in the Austro-Hungarian navy, have been torpedoed.

Two Italian torpedo boats boldly slipped by a line of ten Austrian cruisers off the Dalmatian coast on Monday, attacking the two battleships with torpedoes. Both were struck. An Austrian destroyer that chased the Italian craft was damaged.

#### (International News Service.)

Paris, June 12.—During Tuesday evening and last night the Germans delivered attacks against the west wing of the Montdidier-Oise river battle fronts, but all were broken up, the French war office announced today. The Germans lost enormous numbers of men. A tremendous battle is in progress on the line of Domme-Cutry on the Aisne-Marne battlefield.

#### (International News Service.)

Paris, June 12.—A number of American non-combatants, mostly stretcher bearers and some Y. M. C. A. workers, have been wounded in the fighting around Chateau Thierry.

#### (International News Service.)

With the American Army in France, June 12.—Artillery activity on the American front north of Toul diminished today. There was little aerial activity.

### FRENCH COUNTER BLOWS GAINING IN STRENGTH.

Paris, June 12.—Counter blows by the French on the 21-mile battle front south of Noyon and Montdidier where the Germans began their latest offensive, are gaining in strength.

Violent fighting has continued all along the line, with the French making important gains on the center and on the left wing. On the right wing the Germans at frightful loss of life were able to press southward through the Oise valley past Ribourt and as a result the French evacuated Dresincourt and Ribecourt in order to avoid needless losses.

Gen. Foch struck back twice on a front of nearly eight miles, driving the Germans back about two miles. Already more than 1,000 German prisoners have been captured by the French in their counter attacks.

The Germans are pouring reserves into the fighting in an unending stream, utterly regardless of the losses. Not only has the German advance been definitely halted, but the Germans are losing ground which gives the French valuable strategic positions.

#### STEAMER ABANDONED AT SEA.

New York, June 11.—The steamship Chirpa has been abandoned at sea in a sinking condition, it was announced at Lloyd's. There is no such steamer as the Chirpa listed in the maritime register, but there is a small vessel, the Chirpa.

TWENTY-ONE SHIPS LAUNCHED SINCE HOSTILE SUBMERSIBLES INVADED OUR WATERS.

### NEW METHODS EMPLOYED

DIVERS ARE TO BE DRIVEN OUT TO SEA—MOST HAVE ALREADY HEADED FOR HOME, IS NOW BELIEVED BY NAVAL OFFICIALS

#### (International News Service)

Washington, June 12.—America's shipyards have outstripped German submarines operating on this side of the Atlantic by more than 100,000 dead weight tons, the shipping board announced this afternoon. Since the submarines began their raids May 21, the yards have produced 31 vessels.

#### (International News Service)

Washington, June 12.—Tactical methods which drove the Germans far out to sea from the coasts of Great Britain and France are being put into effect by the navy department, on this side of the Atlantic to protect the many harbors from the submarines operating over here. While it is believed most of the submarines have returned home, officials are convinced that the submarine menace will be with us until after the war.

There has been no further word received that submarines have been captured or destroyed or that there were more victims of submarines.

### Capt. Pettey Tendered A Farewell Dinner

Capt. Frank P. Pettey, who leaves for Fort Barancas, Fla., to enter the service of his country as a surgeon in the medical department of the army, was tendered a farewell dinner last evening in the apartments of Harry Price and Dave Martin, on Second avenue.

The affair was entirely informal. During the evening a number of short addresses were made in which the departing physician was wished the best of luck.

Captain Pettey, in response, stated that he was sorry to leave behind so many splendid friends, but that he was glad to be able to do his bit for America and democracy. He humorously referred to the fact that he had been "promoted" by a Daily editorial to "major," although in reality his rank was but that of captain.

Captain Pettey has practiced his profession here for a number of years and is one of North Alabama's most distinguished physicians. He has been in turn president of the Morgan County Medical society, county and city health officer, and has also received many other honors from members of his profession. He is widely popular personally and has a practice extending over several counties.

Shortly after the United States entered the war, Capt. Pettey tendered his service as a volunteer and was accepted. He has been on the reserve list for a number of months awaiting the call to the colors.

Those present at the dinner last night were Capt. Pettey, Dr. M. W. Murray, Dr. J. L. Gunter, Dave Martin, Harry Price, John Patterson, Frank Lide, Julian Bibb, E. H. Allison, Col. Tennis Tidwell, Judge John C. Eyster, H. D. Harkreader.

## County Defense Council To Arrange July 4 Celebrations

ALABAMA COUNCIL OF DEFENSE.  
 State Capitol.  
 CHAIRMAN COUNTY COUNCILS OF DEFENSE:

President Wilson has formally addressed the citizens of foreign ex-  
 traction in the United States a letter expressing great sympathy to the  
 representatives of twenty-three nationalities who signed the petition ad-  
 dressed to him in which they express their desire to be given an oppor-  
 tunity of manifesting on the one hundred and forty-second anniversary of  
 our independence their loyalty to the United States and the cause for which  
 it is fighting.

President Wilson takes advantage of this occasion to ask all citizens  
 of America to join with our citizens of foreign extraction in commem-  
 orating July 4th as an anniversary not only of national freedom but of uni-  
 versal freedom.

Governor Henderson has issued a proclamation calling upon the citi-  
 zens of Alabama to hold community or neighborhood celebrations, urg-  
 ing the compliance on the part of American-born citizens with President  
 Wilson's request for special recognition of the foreign born.

The Council of National Defense urges the use of a uniform program  
 throughout the entire United States, which is as follows:

1. "America," sung by the whole audience, and led by a well-  
 known community chorus.
2. A dramatic pledging of allegiance to the flag by local boys and  
 girl scouts.
3. The reading of the Declaration of Independence.
4. Patriotic selections by the local band. This should include the  
 national airs of our allies.
5. A short speech—not longer than 15 minutes—bringing out the  
 aims of the United States and all free nations in the war of  
 1917. (The services of the State Speakers' Bureau and the  
 organization of Four-minute men may be of assistance in pro-  
 curing this speaker.)
6. Community singing of patriotic anthems led by a community  
 chorus. One or more of the new war songs would also be ap-  
 propriate.
7. Reading of a message from President Wilson to the people of  
 the United States. If a special Fourth of July message is sent  
 out by President Wilson, this, of course, should be read.
8. A short play, tableau, or pageant depicting the unity of all  
 peoples in the cause of freedom for which the United States  
 is fighting. (A plan for a simple pageant will be furnished all  
 who desire it.)

The chairman of the County Council of Defense will be held directly  
 responsible for the success of the community celebrations. It is your  
 opportunity to render a patriotic service, especially if there are citizens  
 of foreign extraction in your community. The day should not be cele-  
 brated in a frivolous manner but with the realization of the fact that the  
 principles upon which we stand pledged are on trial and that the  
 occasion is one of the most significant in our Nation's history.

The women in each community should receive special consideration  
 in the arrangement of the program.

No Fourth of July celebration will be truly patriotic if the rules and  
 requests of the Food Administration are not observed in the preparation  
 and serving of refreshments. It would be in accordance with the spirit of  
 the day to serve no wheat bread at all. If any bread containing wheat is  
 served it should be victory bread, that is bread containing at least 25 per  
 cent of lawful substitutes. No young pigs should be barbecued. Sugar  
 should be used as sparingly as possible. All waste should be eliminated,  
 and "basket fragments" should be carefully gathered up and put to some  
 good use. Do not let it be feast day for the sheep-killing dog.  
 America's independence was won by self-denial and sacrifice. It would  
 be a travesty in this crisis to celebrate its anniversary by wasteful  
 feasting and drinking.

The State Council of Defense will endeavor to arrange to send speak-  
 ers of state-wide reputation to any community, it being understood that  
 each community will bear the expense of the speaker.

Mr. Frank Stollenwerk of Montgomery, temporary volunteer worker  
 in our office, will undertake the details incident to the extensive program  
 of having community gatherings in each county throughout the state.  
 County chairmen should immediately communicate with the committeemen  
 or leading citizens in each community center where patriotic rallies should  
 properly be held. Requests for speakers should be received not later than  
 June 20th, though earlier, if possible. If the communities have any pref-  
 erence as to speakers, and will so indicate, we will endeavor to comply  
 with their request.

STATE COUNCIL OF DEFENSE,  
 LLOYD M. HOOPER, Chairman.

Inasmuch as this comes direct from the President of the United States  
 we should all heartily co-operate in this celebration and I request that all  
 beat chairmen of the Council of Defense communicate with me at once  
 in order that arrangements may be made for celebrating in each com-  
 munity.

E. C. PAYNE, County Chairman.

 two weeks, and was so weakening,  
 and my health was awful.

My mother bought me a bottle of  
 Cardui, and I began to improve after  
 taking the first bottle, so kept it up till I  
 took three... I gained, and was well  
 and strong, and I owe it all to Cardui.

I am married now and have 3 children.  
 Have never had to have a doctor for  
 female trouble, and just resort to Cardui  
 if I need a tonic. I am glad to testify to  
 what it has done for me, so as to help  
 others."

If you are nervous or weak, have head-  
 aches, backaches, or any of the other  
 ailments so common to women, why not  
 give Cardui a trial? Recommended by  
 many physicians. In use over 40 years.  
 Begin taking Cardui today. It may  
 be the very medicine you need.

### Flag Day June 14th

#### FOR FLAG DAY.

#### Pledge of Allegiance and Creed.

"I pledge allegiance to my Flag, and to the Republic for which it stands. One nation indivisible with Liberty and Justice for all."

American's Creed: (To be said in unison.)

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign States; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity, for which American patriots sacrificed their lives and fortunes."

"I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies."

Over there, over there,  
Send the word, send the word over there,  
That the Yanks are coming, the Yanks are coming,

**TURNER IS CHOSEN AS TREASURER BY THE PRESBYTERIANS**

At the final session of the Tennessee Valley association of Presbyterians held yesterday at the First Presbyterian church of Decatur, it was decided that the association hold its second meeting in the early fall, the time and place for which was left to the executive committee. This committee is composed of Rev. F. W. Lewis, of Courtland; Rev. F. L. Wear, of Huntsville; Rev. L. F. Goodwin, of Albany; Rev. H. M. Moffatt, of Huntsville, and Rev. W. N. Sholl, of Decatur.

Herman L. Turner, Sunday school organizer for the North Alabama presbytery, U. S. A., was named as secretary and treasurer, thus completing the roster of officers. Dr. Lewis, the president, and Dr. Wear, the vice-president, were elected on Monday.

**Committees.**

Constitution and by-laws, Dr. F. W. Lewis, Revs. L. F. Goodwin and William N. Sholl.

Time and place of meeting, Revs. L. F. Goodwin, William N. Sholl, H. M. Moffatt.

The Civil War But a Squirrel Hunt by Comparison.

The venerable presiding officer of the conference, Dr. F. J. Tyler, of Elkmont, a Confederate veteran, during the course of an address that attracted much comment, denounced the Huns in unmeasured terms. He said if he thought the Germans would win that he and his aged wife would try to make arrangements "to die tonight." The grizzled war veteran who is way up in seventy, declared that the American people needed to begin to grasp the magnitude of the war. By comparison, Dr. Tyler declared "that our civil war was nothing but a squirrel hunt."

Dr. Tyler's set speech for the convention was, "The Office and Place of the Holy Spirit." He declared that the work of the Spirit was the most important on this earth; but that sad to say, His work was the least understood and appreciated.

One of the most scholarly addresses of the convention was that of Rev. W. N. Sholl, on "John Calvin, and Calvinism."

An Eye Opener by H. L. Turner. In his announced address on "Sunday School Needs in North Alabama," Herman L. Turner declared first that

it was his deep concern that the two large branches of the Presbyterian church take hold of the Sunday school evangelistic work as partners and proceed with a campaign of education and evangelism until the time come when every child who had no Sunday school home should have one, and the best one possible. According to Rev. W. N. Sholl, Mr. Turner's speech "was an eye opener." This speaker said in part:

"According to the 1910 census the white population of the Presbytery of Huntsville is 256,535, and the total Sunday school enrollment of all denominations is 40,140. The Sunday schools of this Presbytery are reaching only fifteen or twenty per cent of the people. According to figures furnished by the educational department at Montgomery, there are 22,484 white illiterates in the twelve North Alabama counties and 19,879 colored illiterates. The illiterate population of both races exceeds the enrollment in the white Sunday schools of North Alabama. We have a tremendous problem right here at our very door."

There seems to be a general awakening in the public school work. For instance, last year there were 97,743 children of school age in our district and 73,724 were enrolled and in school, reaching 74 per cent of its constituency, which is encouraging. We can look forward to a better day when all of our counties vote the three mill tax for better educational advantages, and this means a better day for the rural Sunday school. The real work of the church is in the rural sections. It is not an unusual thing to find homes without the Bible without Christ, communities without a Sunday school, or a people who have not heard a Gospel message in three or more years. The church is not to be blamed for this condition, but on the other hand the church should not disclaim the responsibility of providing a remedy."

**Revival Begins At Southside Methodist**

REV. R. H. JONES OF ANNISTON IS THE MINISTER IN CHARGE.

Rev. R. H. Jones, of Anniston, preached to a full house last night when the third evening service of the South Albany Methodist revival was held at the Ninth Street church.

The evangelist stressed the importance of active personal work on the part of professed Christians, as absolutely necessary to the extension of Christ's kingdom. Two converts have thus far been reported, and according to Rev. L. W. Young, the pastor, interest is growing as the revival continues. Rev. Mr. Young said that for the present Rev. Jones was confining his main efforts to the church membership and was holding up high ideals to them.

I was so nervous I would shake almost like anyone with a chill and could not eat anything without being nauseated. My husband got me one bottle of the 'Favorite Prescription,' and I began to take it. The nausea ceased after the first dose. I took only two bottles of the 'Favorite Prescription,' and was surprised and gratified at the marked improvement in my condition. I have also used this medicine for other troubles with good results."—Mrs. DONA E. DONEHO, R. F. D. 5.

SYLACAUGA, ALA.—"We have used Dr. Pierce's Remedies and found them to be of great value. My mother has used the 'Favorite Prescription,' and thinks she could not do without it. I highly recommend Dr. Pierce's Medicines."—N. HAMMETT.
